

**YBP APPROVAL PLAN PROFILE and  
MEMORANDUM OF AGREEMENT**

**(Library Name)**

**(Date)**

This memorandum is intended to explain the Library's arrangement with YBP Library Services, a Baker & Taylor Company, to provide selected publications on an approval basis.

The explanation is presented in three parts. Part I briefly describes the procedures which govern billing, shipment, account structure, discount, and returns of materials provided on approval. Part II outlines the technical support provided by YBP. Part III describes the instructions for coverage of specific continuation titles on the plan, the Approval Plan Publisher Profile or "press list," the plan's subject parameters, and the non-subject qualifiers which

Both the Library and YBP recognize that changes to these guidelines will likely be necessary as the program evolves over time. Any change in substance will be recorded in a written communication from YBP to the Library.

**I. GENERAL PROCEDURES**

**A: Invoicing**

1: A 3-part invoice will be included in each shipment with books listed alphabetically by [OPTION].

Payment will be made from this invoice.

2: A 4-part bibliographic form will be included in each book for the Library's use.

3: The notation (INSERT P.O. NUMBER OR "APPROVAL") will appear on all invoices and shipping labels.

**B: Shipment:**

1: Shipments will include both books and notification slips (title announcements sent in lieu of a book). Unless specifically requested otherwise, one copy of each title will be shipped.

2: Shipments will be made via truck or United Parcel Service on a weekly basis. YBP (will OR will not) pay for shipping to the Library. Returned books must be shipped at customer expense via United Parcel Service or insured mail.

3: Materials will be shipped to the following address:

**C: Account and Plan Structure:**

The Library's account structure is indicated in the table below. Sub-accounts shown in **bold** are associated with the approval plan.

<b>Sub-Account #</b>	<b>Plan #</b>	<b>Description</b>

**D:Discounts:**

The library will be billed at list price less x% for most [cloth] titles available in North America, [less x% for most paperbacks.] Prices announced on notification slips are usually met, but are not guaranteed.

YBP does not discount certain categories of titles, which are sold to libraries at list price, or at list price plus a service fee:

- ❖ Titles imported directly from overseas by YBP.
- ❖ Titles obtained by YBP from out-of-print suppliers.
- ❖ Titles with little or no publisher discount to YBP.

**E: Returns:**

**[ NON-PROCESSED MATERIALS OPTION ]**

Under the provisions of this Approval Plan, YBP will ship to the Library books selected according to the press, subject and non-subject parameters described in Part II. The Library reserves the right to return titles which are deemed inappropriate to the Library's collection for reasons of content, subject, style, format, quality, etc.

Returns are not expected to exceed OPTION 5%/10% ETC.

Titles may routinely be returned in resalable condition within 120 days of date of YBP invoice. Defective titles may be returned within one year of the invoice date. Claims for missing or damaged titles must be reported to a YBP Customer Service Representative within 30 days [45 days for overseas customers] of the invoice date.

Returns must be shipped via UPS or insured mail.

**[ PROCESSED MATERIALS OPTION ]**

Under the provisions of this Approval Plan, YBP will ship to the Library books selected according to the press, subject and non-subject parameters described in Part II. YBP will physically process this materials according to Library specifications outlined in the Technical Services profile. This material is non-returnable.

The Library will report to YBP what materials is deemed inappropriate to the Library's collection for reasons of content, subject, style, format, quality, etc. by returning the "Reason for Return" slips for these titles.

The Library may be issued credit for defective material returned within one year of the invoice date and damaged material returned within 30 days of the invoice date [45 days for overseas customers].

**F: Management Reports**

Collection Management Reports can be submitted by the library via GOBI, YBP’s on-line collection management tool. Various report templates can provide expenditure reports according to the library’s specifications, as well as open order reports and other approval plan support materials such as press lists, and standing order instructions.

**II. TECHNICAL SERVICE SPECIFICATIONS**

**A: GOBI**

YBP’s GOBI (Global Online Bibliographic Information) service is available to the Library via the World Wide Web. GOBI provides a sophisticated acquisitions and collection development support system, with access to querying, selection, ordering and reporting functions across YBP’s entire database of titles. The Library should contact their bibliographer-liaison to register for GOBI access.

**B: Bibliographic, Cataloging, & Processing Services**

The Library has contracted with YBP for the range of bibliographic, cataloging, and/or processing services specified in the Library’s YBP Technical Services Profile. The Technical Services Profile, in conjunction with the Memorandum of Agreement, details the specific services to be provided and the responsibilities of each partner. Success in the outsourcing of acquisitions and technical services requires ongoing consultation and a mutual commitment to working together to address issues and concerns as they arise.

**III. APPROVAL PLAN SPECIFICATIONS**

**A: Continuations:**

The Library Series Report (available via GOBI or upon request from your bibliographer-liaison) reflects the Library’s instructions to YBP for handling specific continuation titles on the approval plan. These title-specific instructions override all other profile elements.

“Book” indicates that all volumes of the continuation title will be supplied on the approval plan. “Slip” indicates that notification slips will be sent. “Exclude” indicates that all volumes of the continuation title will be excluded from coverage on the approval plan.

**B: Publishers:**

The plan will include all university press, trade, scholarly and professional publishers named on the Library’s Approval Plan Publisher Profile, or press list. The Library will be offered the publications of these and any new YBP approval publishers which may become active according to library preferences below.

Library preferences for new publishers added to the YBP approval plan program:

<u>Publisher Type</u>	<u>Library Instruction Preference</u>
❖ Trade Publishers	Book/Slip/Exclude (Choose one)
❖ University Press Publishers	Book/Slip/Exclude (Choose one)
❖ Association Publishers	Book/Slip/Exclude (Choose one)

❖ AP Plus! Publishers

Book/Slip/Exclude (Choose one)

The subject and non-subject parameters below apply to all publishers covered by this Approval Plan.

**C: Subject Parameters:**
